

Compliance Summary

How We Keep You LPL-Safe

Prepared for: Bryan McInerney

The Short Version

We've designed every piece of outreach around FINRA and LPL compliance rules from day one. You approve a small batch of templates once - we use those exact messages going forward. Nothing goes out that hasn't been pre-approved.

How Your Name Is Protected

Stage	Who Sends	Bryan Named?	LPL Approval?
Initial outreach (emails 1-5)	Simpl ABI	NO	Templates pre-approved once
LinkedIn connection request	Simpl ABI	NO	Template pre-approved once
Warm handoff (after interest)	Simpl ABI	YES	Full LPL disclosures included

Your name only appears after a prospect has already expressed interest.

The prospecting phase is conducted entirely under Simpl ABI - not your name, not your firm, not LPL.

What We NEVER Say

We maintain a banned-word list based on FINRA advertising rules. These words never appear in any outreach:

False promises:	guaranteed, secure, safe, ensure, achieve
Superlatives:	best, top, elite, superior, premier
Urgency/scarcity:	don't miss out, act fast, limited time
Misleading credibility:	trusted, unbiased, objective, conflict-free, proven
Absolute claims:	always, never, will (as certainty about returns)
Product overselling:	solution, solve, eliminate risk, maximize, optimize
Credential inflation:	expert, guru, #1, award-winning

What IS On Every Email

- Full entity name: Intelligent Annuity Solutions, LLC
- Broker-dealer disclosure: "Securities offered through LPL Financial, Member FINRA/SIPC"
- Website: checkannuity.com
- Unsubscribe link (CAN-SPAM required)
- Physical mailing address (CAN-SPAM required)

The warm handoff email (the only one naming you) additionally includes full LPL separation disclosure, "not investment advice" disclaimer, risk disclosure, and annuity guarantees disclaimer.

How This Differs From FMG

	FMG (Your Current)	Simpl ABI (What We Do)
Purpose	Brand marketing, newsletters, social	Get you face-to-face meetings
Format	Branded campaigns to broad audiences	Personalized 1-to-1 emails
Your role	Content review, brand presence	Approve templates once, show up
Output	Brand awareness	Meetings on your calendar
Overlap	None	None - different lane entirely

We are not replacing FMG. FMG builds your brand. We fill your calendar.

The Approval Process (One-Time)

1. We write 5-8 email templates + 2 LinkedIn messages
2. You review them (already done - see attached templates)
3. You submit the batch to LPL compliance for pre-approval
4. LPL approves (typical turnaround: days for template batches)
5. We use those exact approved messages going forward

After step 5, you never have to think about compliance again for these templates.

Automatic Protections We Handle

- Unsubscribe requests: Processed same-day, permanently suppressed
- Do-not-contact list: Maintained and checked before every send
- CAN-SPAM compliance: Physical address + unsubscribe on every email
- Send volume limits: Controlled pacing, never mass-blast behavior
- Suppression on reply: Sequence stops immediately when someone responds
- No securities content in prospecting: Initial emails discuss fees and reviews only - never specific products, returns, or strategies

Bottom Line

You approve templates once. Everything we send uses those exact words.

Your name stays off everything until someone is already interested.

We handle the compliance mechanics automatically.

All you do is show up to meetings.
